

PARTNERS IN PROGRESS

Your connection to the Camden County legal community

ABOUT THE PROGRAM

Partner with the Camden County Bar Association (CCBA) and we will help you connect with 2,000 members of New Jersey's second largest county bar association.

Partners in Progress offers you a unique opportunity to gain access to the CCBA membership through networking opportunities at our largest events, appearance at Board meetings, speaking opportunities at our seminars, advertising in our monthly publication and on our website, and more.

The CCBA is the premier professional organization for lawyers, jurists and law-related professionals in Camden County and *the legal resource* for Camden County's legal community.

Contact Bar Headquarters at 856.482.0620 or kara@camdencountybar.org to get started today!
